## John Brent Adam Llantada Dizon

has successfully completed the online, non-credit Specialization

# Creative Design Tools: Adobe Photoshop, Illustrator, Acrobat

In this specialization you'll learn how to use Adobe's core creative tools to produce professional-grade visuals and documents. You'll gain hands-on experience editing images in Photoshop, designing graphics in Illustrator, and creating functional, branded documents in Acrobat. The program emphasizes design fundamentals, layout, and accessibility. You'll complete real-world projects and build a portfolio that showcases their ability to communicate visually across formats.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
